PROPOSED CHALLENGE MECHANICS

Unique organization referral links → verified eligible signups → shared standings → final validation → prizes. Agree duplicate/fraud exclusions, ranking, tie-break rules and update cadence before launch.

GIVEAWAYS OUTSIDE THE \$20,000 BUDGET

Triumph pays for all prizes and giveaways separately from the \$20,000 agency package, including the \$5,000 DJ prize and second- and third-place prizes. To include giveaways within \$20,000, we would reduce the organization count and/or ambassador count and agree a revised scope before launch. The bonus event sponsorship remains complimentary.

CONFIRM TO LAUNCH

Campus + dates • participating organizations • signup eligibility • tracking/leaderboard access • prize rules + funding • bonus event. Legal/platform and campus approvals required; no signup-volume guarantee.
